SCHOOL  
BALEWADI PUNE**

Dear Parents,

GREETINGS from team SGIS.

As I have endorsed earlier, nowadays along with IQ(Intelligence Quotient) and EQ( Emotional Quotient) another important factor is AQ(Adverse Quotient). With the changing world post COVID, we have to make our children overcome the adversities, challenges and make them mentally and physically fit. To do so, we have collaborated with MCF( Marshal Cadet Force), which trains the students in pre and para military skills in the school on every Saturday morning. We are starting these classes from Saturday, 17<sup>th</sup> September. We have arranged one meeting with them on Saturday at 8.00 am in the school before the classes. So, request you to register your child's name with the class teacher by Thursday, 15<sup>th</sup> September.

Regards,  
Principal,  
SGIS
