

Christmas celebration

Christmas is the festival of cheer and joy, for giving and sharing, for laughter, for coming together with family and friends.

On this occasion our SGIS School angels danced to joyful tunes. The school wore a festive look with bells, streamers and a beautifully decorated Christmas tree. The essence of Christmas came alive when Santa Claus himself went into the classes along with our Principal. The boundless joy of celebrating the festival was amply visible on the faces of the children especially when Santa moved around distributing chocolates to them. The delightful celebration included children coming in colorful party dress dancing and sharing the merriment together.

Here is the glimpse of Christmas celebration.
